

Tampa Bay Invasives- Let's Take Back the Bay: One-Day Teacher Workshop

Multiple invasive species are impacting Tampa Bay so join us for a day of learning about this important topic! The day begins at The Florida Aquarium exploring background content and lesson plans followed by an afternoon at a local nature park investigating and removing invasive species. All content provided will align with state standards. Teachers must participate for the entirety of the program to receive the \$80 workshop stipend.

This workshop is made available with grant funding from the Tampa Bay Estuary Program. Space is limited to 20 teachers.

Who: Teachers in grades 6-12 in the following counties (due to grant requirements): Hillsborough, Pinellas, Manatee, Polk, and Pasco.
