Camps for ages 3-14

Extended care from 8 AM to 5:30 PM included in registration fee.

Convenient online registration at flaquarium.org.
Become a member and receive a discount on AquaCamps!
Member registration begins February 4, 2022.
Mission Statement

To entertain, educate and inspire stewardship of the natural environment.

The Florida Aquarium offers a variety of educational programs including school programs, teacher workshops, homeschool workshops and more. Our Learning Department is growing to meet the needs of our community. For education program reservations and information call (813) 273-4015 or 1-800-353-4741 or visit flaquarium.org.
JOIN US FOR
PARENT NIGHT

VIRTUAL: TUESDAY, MAY 3, 2022
5:30 PM MEETING INFORMATION WILL BE INCLUDED IN YOUR CONFIRMATION LETTER AFTER REGISTRATION.

IN-PERSON: WEDNESDAY, MAY 4, 2022 5:30 PM

In-person is in the Green Room Learning Space, Carol J. Barney Barnett Learning Center

Camp registrations will not be taken at this event. You will learn:

- The benefits of camp
- AquaCamps safety procedures
- Overviews of daily itineraries
- How we make summer FINTASTIC

GENERAL INFORMATION:
Registration for Members opens February 4, 2022 and for all others on February 11, 2022.

To ensure you don’t miss out, register early! Click Education, Camps and select AquaCamps. We accept MasterCard, Visa, Discover, American Express, and e-checks.

Or call (813) 273-4015 to request assistance with the reservation process.

DROP OFF/PICK UP
Extended care is included in your registration – no extra fees!

Early drop-off for campers begins at 8 AM. It is mandatory that each camper be signed in by an adult each morning. Parents and guardians are welcome to temporarily park in the circle located in front of the Aquarium and escort their camper to the table located outside of the business entrance. If a cruise ship is in port, please review the Aquarium parking lot instructions and code provided in the confirmation email the week prior to camp.

Campers must be personally signed out by a listed adult, showing a valid ID, each afternoon. Parents and guardians are welcome to temporarily park in the circle located in front of the Aquarium to sign out their camper at the table outside of the business entrance. Please note the latest pick up is 5:30 PM, after which time the Aquarium reserves the right to charge $1 per minute until the camper is signed out.

Please inform camp staff if your camper needs to be picked up early (before 4 PM) or will be dropped off late (after 9 AM). Contact camp staff if the camper will be picked up by someone other than the person noted on the sign-in sheet. If your camper will be absent for the day, please call the camp phone line. The camp phone line is (813) 273-4000 x4122 and only operates during camp hours, but you may leave a message outside of these hours.

HEALTH AND SAFETY
With continued changes, please know that Aquarium staff will implement safety measures that are most appropriate at the time of camp. This may include a daily health statement from the parent/guardian. Our goal is to provide the safest possible experience based on the most current guidelines. Please also note that all current in-person Aquarium programming requires mask-wearing, which may be updated as guidance changes.

BUDDIES
Children who have completed kindergarten through grade 3 or are 6-9 years old have the option of choosing a weekly buddy that is in the same grade/age range. Please be advised that classes of completed kindergarten through grade 1 or grade 2-3 may run simultaneously in different rooms due to camp capacities. If your child would like to be in the same class as a friend/relative of the same grade/age, please make sure the buddy name is listed on the online registration form. You may only choose one buddy per week; however, the buddy does not have to be the same for multiple weeks.

T-SHIRTS
All campers will receive one t-shirt on the first day of camp. Campers will receive one shirt for the summer. Additional t-shirts will be available for purchase for $15. Sizes include children: XS (3-4), S (4-6), M (8-10), L (12-14) and adult: S, M, L, XL, and XXL.

WATER BOTTLES
Travel campers will receive one water bottle on the first day of their camp. To aid in our conservation mission, campers will only receive one bottle per summer. Campers returning for multiple weeks of camp will be asked to bring their AquaCamp water bottle. Due to the heat, campers should bring and use their water bottle each day. Additional water bottles are available and can be purchased for $15. On location campers, AquaKids, and AquaTots do not receive a water bottle.

THE FLORIDA AQUARIUM
Camps are taught by teachers specializing in pre-K – kindergarten. Camps include science explorations, arts and crafts, and Aquarium tours. **Adults accompanying campers are encouraged to interact and participate in all activities!**

**PRICING AND TIMES**
Each camper must be accompanied by an adult.
Wednesday 10:30-11:30 AM
$12 members, $15 non-members
Register for two camps and receive $2 discount on all additional camps. **Discount applies to campers in the same household of the same age.**

**TIDE POOL TALES**
June 1 10:30 AM
Tide pools are a community of plants and animals. From sea stars to algae, discover what animals call a tide pool home.

**MAD SCIENTIST**
June 8 10:30 AM
Gather around to experience what it is like to be a scientist.

**SHARKS!**
June 15 10:30 AM
Join us for a day of jawesome fun as we dive into the truth about sharks.

**OCEAN COMMOTION**
June 22 10:30 AM
Take a journey under the sea as we learn why there is so much commotion within the ocean.

**OTTERLY AWESOME**
June 29 10:30 AM
From their thick fur to their webbed feet, otters have amazing adaptations that make them awesome.

**NOCTURNAL NATURE**
July 6 10:30 AM
Let's explore cool creatures and the adaptations that make them perfect for life in the dark!

**ANIMALS IN MOTION**
July 13 10:30 AM
From slithering snakes to flying birds, animals move in a variety of ways. See how our movements compare to the animals that call The Florida Aquarium home.

**COLOR CRAZY**
July 20 10:30 AM
Do animals change color? Why are some animals brightly colored? Learn the answer to these colorful questions and more.

**TOPNOTCH TASTE**
July 27 10:30 AM
What's in your lunch bag? Discover what's on the menu for the animals at The Florida Aquarium.

**SPLISH SPLASH**
August 3 10:30 AM
End the summer with a splash by celebrating all things water.
Camps are taught by teachers specializing in pre-K – kindergarten. One teacher and assistant is assigned to each camp. Activities include science exploration, Aquarium tours, arts and crafts, choice-time, and Splash Pad play (weather permitting).

PRICING AND TIMES
Hours: 9 AM–4 PM
FREE extended care: Earliest drop-off is 8 AM. Latest pick-up is 5:30 PM.
4-day camp applies to May 31-June 3 and July 5-8: $160 members, $195 non-members
5-day camp: $200 members, $240 non-members
See page 9 for lunch pricing.
Register for two camps and receive $15 discount on all additional camps. Discount applies to campers in the same household of the same age.

ARTISTIC ANIMALS | May 31-June 3 (4-day camp)
Channel your inner artist and discover animal "artists" of the land and sea. Get an up-close view of our residents and become inspired to create your own masterpiece.

FORCES OF NATURE | June 6-10
We all love superheroes! Especially animals with superpowers! Learn about the strongest punches, the highest fliers, the fastest swimmers, and the greatest heroes of the animal kingdom.

PREHISTORIC PAST | June 13-17
Travel back in time to experience Florida’s past. From trilobites to megalodons, Florida is full of fossils and fun.

ARE YOU AFRAID OF THE SHARKS? | June 20-24
Sharks are important to the health of our oceans, but they are often misunderstood. Come learn the truth about our sharp-toothed friends and why we need to protect them.

JUNIOR SCIENTIST | June 27-July 1
Scientists are constantly making new discoveries. Join us as AquaCampers are put up to the challenge, too! Grab a magnifying glass and get ready to dive into the wacky world of science.

WILDLIFE WARRIORS | July 5-8 (4-day camp)
Wildlife needs your help! Become a wildlife warrior and learn what everyday things you can do to protect our blue planet.

MIGHTY MAMMALS | July 11-15
Dolphins, dogs, and people all have something in common. They are all mammals! Learn what makes a mammal a mammal and see how people measure up to these amazing animals.

MY BACKYARD | July 18-22
There are lots of animals in your very own backyard! From turtles to frogs to bugs, explore the backyard habitats of Florida. Become familiar with animals you may see in your very own neighborhood.

DEEP SEA DETECTIVES | July 25-29
Do you think you have what it takes to become the next great ocean detective? Become an ‘aqua-tective’ and help solve mysteries and myths of the ocean.

MAKE A SPLASH! | August 1-5
End the summer with all things water. From the sand on the land to the shallow sea creatures, spend your last week exploring our coastlines, seashells, and sunshine.
Full-Day On Location Camps

COMPLETED KINDERGARTEN–GRADE 1 (AGES 6-7)

All on-location camps are taught by experienced teachers and counselors. Camps include science explorations, Aquarium tours, a live animal encounter, field trip, arts and crafts, and Splash Pad play (weather permitting).

PRICING AND TIMES
Hours: 9 AM–4 PM
FREE extended care: Earliest drop-off is 8 AM. Latest pick-up is 5:30 PM.
4-day camp applies to May 31-June 3 and July 5-8: $185 members, $225 non-members
5-day camp: $230 members, $280 non-members
See page 9 for lunch pricing.
Register for two camps and receive $20 discount on all additional camps. Discount applies to campers in the same household of the same age.

FEATHERED FRIENDS | May 31- June 3 (4-day camp)
Check out bird beaks, feathers, and birdcalls from around the world. Practice your birdwatching skills as we walk the trails at Lettuce Lake Park in Tampa.

PLANET PROTECTORS | June 6-10
Our planet needs you! Learn what everyday things you can do to help our planet. Travel to the Florida Conservation and Technology Center in Apollo Beach to find out how experts are helping our planet too!

DOWN IN THE DEEP | June 13-17
Let’s explore deep sea creatures and the adaptations that make them perfect for life in the depths! Compare the deep ocean to space with a visit to the Museum of Science and Industry in Tampa (MOSI).

SHARK SEEKERS | June 20-24
Explore the world of sharks and their relatives. Learn the challenges sharks face, their importance in the ocean, and so much more. Compare sharks to land predators with a trip to Busch Gardens in Tampa.

DIGGIN’ IN THE PAST | June 27-July1
Dig up clues to the past and discover what lies below. Travel to Dinosaur World in Plant City to see some of the enormous prehistoric creatures that once wandered the earth.

FLORIDA FEATURED | July 5-8 (4-day camp)
Journey through numerous Florida habitats and get up-close with awesome animals that call them home. Visit a unique habitat while exploring Boyd Hill Nature Preserve in St. Petersburg.

MAMMAL MANIA | July 11-15
Join us as we spend a week learning all about mammals. Including those that live right here in Florida from around the world with a visit to ZooTampa.

OCEAN EXPLORERS | July 18-22
Prepare to explore the world’s oceans and the creatures living there. Learn about travelers of the high seas while visiting the Tampa Bay History Center.

CRAFTY CRITTERS | July 25-29
Calling all creative campers! Discover animals that have creative ways to build a home, survive, and hunt. Travel to Glazer Children’s Museum in Tampa for inspiration to design your own art.

BEACH BONANZA | Aug 1-5
Get together for one last hurrah at the beach before going back to school. Join us for fun in the sun with games and activities aimed at being responsible beachgoers. Send the summer out with a splash with a trip to Fort DeSoto Park in St. Petersburg.
Full-Day On Location Camps

COMPLETED GRADES 2-3
(AGES 8-9)

All on-location camps are taught by experienced teachers and counselors. Camps include science explorations, Aquarium tours, a live animal encounter, field trip, arts and crafts, and Splash Pad play (weather permitting).

PRICING AND TIMES
Hours: 9 AM–4 PM
FREE extended care: Earliest drop-off is 8 AM. Latest pick-up is 5:30 PM.
4-day camp applies to May 31-June 3 and July 5-8:
$185 members, $225 non-members
5-day camp: $230 members, $280 non-members
See page 9 for lunch pricing.
Register for two camps and receive $20 discount on all additional camps. Discount applies to campers in the same household of the same age.

ICKY-OLOGY | May 31- June 3 (4-day camp)
Join us for icky science and animals that might make you go “ewww.” Travel to Lettuce Lake Park in Tampa to discover some messy creatures in our own backyard.

OPERATION CONSERVATION | June 6-10
Incoming mission... code name: Operation Conservation! We need your help to protect plants and animals around the world. Travel with us to the Florida Conservation and Technology Center in Apollo Beach for more mission details.

MARINE MAMMALOGY | June 13-17
There are many fish in the sea, and mammals too! Learn about a variety of marine mammals that live most of their lives in the water. Take a trip to ZooTampa to see mammals in action.

INCREDISBLE INVERTEBRATES | June 20-24
Crabs have an exoskeleton, snails carry a shell, and jellies float in the current. Learn about adaptations that allow animal without bones to survive. Visit Florida Botanical Gardens in Largo to learn more about local invertebrates.

FLYING FRENZY | June 27-July 1
From insects to birds to bats, learn about living things that fly. Find out what makes these animals adapted for air travel. Discover local flyers while visiting Boyd Hill Nature Preserve in St. Petersburg.

SUNSHINE STATE OF MIND | July 5-8 (4-day camp)
Florida is an amazing state with animals everywhere. Learn how you can help protect our native species. Enjoy the Florida weather with a visit to Sawgrass Lake Park in St. Petersburg to discover more about our local wildlife.

TO THE EXTREME | July 11-15
Join us for a week full of extreme animals! Learn about ways animals have found to survive in some of the world’s wildest habitats with a trip to Busch Gardens.

FACT OR FICTION: ALL ABOUT SHARKS | July 18-22
There are many myths about sharks, and we need your help to sort fact from fiction. Discover why sharks are important during a week all about sharks. Travel to Mote Marine Laboratory and Aquarium to see some of these predators up close.

ANCIENT FLORIDA | July 25-29
Journey back in time throughout Florida’s geological history. Explore fossils left behind by ancient creatures that once roamed this area. Venture out to The Mulberry Phosphate Museum to dig up some fossils of your own.

SAND AND SEA | Aug 1-5
As summer comes to an end, explore the sand and sea with us. Learn about beach and coastal habitats and the many animals that call Florida home. Travel to Fort De Soto Park in St. Petersburg to enjoy a beach day in the summer sun!
Full-Day Travel Camps

COMPLETED GRADES 4-5 (AGES 10-11)

All travel camps are taught by experienced teachers and counselors. Camps focus on marine science and feature a new adventure each day. Campers should bring a water bottle, swimsuit, sunscreen, and towel every day. Any extra recommended equipment will be noted on the parent letter at the beginning of the camp week. A camp t-shirt and one water bottle is provided to each camper during his or her first week of camp only. Campers should be able to swim and be comfortable being outside most of the day.

PRICING AND TIMES

Hours: 9 AM–4 PM
FREE extended care: Earliest drop-off is 8 AM. Latest pick-up is 5:30 PM
4-day camp applies to May 31-June 3 and July 5-8: $240 members, $290 non-members
5-day camp: $300 members, $365 non-members
See page 9 for lunch pricing.
Register for two camps and receive $25 discount on all additional camps. Discount applies to campers in the same household of the same age.

ECO-TOURISTS | May 31-June 3 (4-day camp)
Take some time to relax and be a tourist in your own state. Visit local eco-tourist destinations like Fort De Soto Park, Lithia Springs Conservation Park, and Pass-a-Grille Beach to spend time exploring and enjoying local spots.

ISLAND HOPPING | June 6-10
Who needs a watch when you can live on island time? We will be visiting some of Tampa Bay’s renowned islands as we search for shells on Shell Key, discover a lighthouse on Egmont Key, and soak up some sun on a ride out to Caladesi Island.

SPRING DISCOVERY | June 13-17
As the weather heats up, spend the days in the coolest places in Florida. Discover aquatic spots that never get warmer than 72°. Enjoy Lithia Springs Conservation Park, float the Rainbow River, and try to locate “mermaids” at Weeki Wachee.

CRUISE THE COAST | June 20-24
What better way to experience Florida waters than by boat? We will kayak at the Florida Conservation and Technology Center, ride a boat in the bay, and take a cruise along the coast on a captained pontoon boat.

WHAT’S BELOW? | June 27-July 1
There is more than meets the eye in Florida. Look at what is just below the surface and dig into Florida’s rich history. Discover a cave system in Brooksville, explore an abandoned fort at Fort De Soto Park, and find prehistoric fossils in the Peace River.

PARK RANGERS | July 5-8 (4-day camp)
Enjoy your days exploring Florida’s unique state parks to discover the natural treasures they offer. Check out the only class one rapids in Florida at Hillsborough River State Park, look for alligators in Myakka State Park, and enjoy the beach of Honeymoon Island State Park.

SIGHTSEEING WITH A SNORKEL | July 11-15
Everyone enjoys sightseeing on vacation. Spend this week sightseeing underwater! Relax along Pass-a-Grille beach, look for life underwater at Fred Howard Park, and look for shark teeth at Caspersen Beach.

ANIMAL RESCUE | July 18-22
Rescuing animals can be lots of hard work, but it is rewarding work. Go behind the scenes at the Aquarium to learn more about our rescue animals and how we care for our animals every day. Learn more about marine mammal rescues at ZooTampa and visit a wildlife vet’s office at Busch Gardens.

WEIRD AND UNUSUAL | July 25-29
Scales, exoskeletons, and slime make up just a few characteristics of the animals you will be looking for throughout this week. Take a trip to Bok Towers to do some insect investigation, search McGough Nature Park for invasive turtle species, and explore Emerson Pointe in Palmetto to look for strange animals both in the air and on the beach.

BEACH BASH | August 1-5
Celebrate the final days of summer by floating down the Rainbow River, relaxing on the beach at Fort De Soto Park, and kayaking at the Florida Conservation and Technology Center.
Full-Day Travel Camps

COMPLETED GRADES 6-8 (AGES 12-14)

All travel camps are taught by experienced teachers and counselors. Camps focus on marine science and feature a new adventure each day. Campers should bring a water bottle, swimsuit, sunscreen, and towel every day. Any extra recommended equipment will be noted on the parent letter at the beginning of the camp week. A camp t-shirt and one water bottle is provided to each camper during his or her first week of camp only. Campers should be able to swim and be comfortable being outside most of the day.

PRICING AND TIMES
Hours: 9 AM–4 PM
FREE extended care: Earliest drop-off is 8 AM. Latest pick-up is 5:30 PM
5-day camp: $300 members, $365 non-members
See page 9 for lunch pricing.
Register for two camps and receive $25 discount on all additional camps. Discount applies to campers in the same household of the same age.

FLORIDA FLASHBACK | June 6-10
Travel back in time as we explore the diversity of plants and animals in Florida! Experience what Florida was once like by visiting a cave system, looking for fossils in Peace River, and visiting an old fort in St. Petersburg.

ADRENALINE RUSH | June 13-17
Adventure seekers wanted! Spend the week body surfing at the beach, climbing through an adventure course amongst the trees, and traversing Florida's first canopy walk at Myakka State Park.

UNDER THE SURFACE | June 20-24
Get an up-close experience with fish by snorkeling Fred Howard Beach, relax at Pass-A-Grille Beach, and shuttle out to Shell Key to look for underwater life and shells.

CONSERVATION QUEST | June 27-July 1
Conservation is key when it comes to saving our blue planet. We'll visit other conservation-minded organizations like Mote Marine Laboratory and Aquarium, learn about slash pine forests at Honeymoon Island State Park, and Brooker Creek Persevere—the largest natural area in Pinellas County.

NAUTICAL ADVENTURES | July 11-15
Come along and explore the best parts of Tampa Bay by boat! Kayak the Florida Conservation and Technology Center mangroves, spend a day aboard a captained pontoon boat, and take a ride along the coast.

SPRING EXPLORERS | July 18-22
Florida's best-kept secrets don’t always have sand. Some have water that stays at a refreshing 72° year-round. Take a dip in Lithia Springs Conservation Park, float down Rainbow River, and learn about local springs while visiting Werner-Boyce Salt Springs State Park.

SUMMER SEND OFF | July 25-29
Spend the last days of summer in a state of relaxation. Visit Florida's sandy beaches and zip line high over Mobley Bayou.

- Full payment is due at the time of registration. Checks and credit cards are accepted.

CANCELLATION, CHANGE & REFUND POLICY:
- To receive a refund, less a $25 cancellation fee per camp, cancellations must be made at least three weeks (21 days) before the start date of camp.
- Cancellations made 20 days or less before the start date of camp will not be refunded.
- All cancellations must be requested in writing or by email.
- No refunds will be given due to inclement weather.
- Registration changes can be accommodated if space is available. A $15 fee will be assessed for all changes, excluding cancellations.
- You will receive a confirmation letter via email within two weeks of registration. If you do not receive this, call (813) 273-4015 for more information.
- The Florida Aquarium reserves the right to separate or combine camps.

INCLEMENT WEATHER
- Summer can be a time of afternoon thundershowers and all-day downpours. There may be times that plans are altered, especially for travel camps. In these instances, The Florida Aquarium has rainy day plans and will make decisions for the safety of campers. We make every effort to resume our plans as soon as possible.
- Inclement weather is defined as weather that is severe enough to stop us from doing our regularly scheduled program in order to provide safe experiences. Hurricanes and hurricane preparations are also considered inclement weather.
- As The Florida Aquarium does not have control over inclement weather, we will not give refunds in the event of inclement weather.

For pricing, information, or registration, call our Reservations office at (813) 273-4015 or visit flaquarium.org

THE FLORIDA AQUARIUM
COMMUNITY PROGRAMS

2022-2023 SCHOOL YEAR CAMPS
When school is out, camp is in! Check out our single- and multi-day camps offered on holidays and teacher workdays.

AQUATOTS
Tots programs for children ages 3-5, are offered during the school year on select Wednesday afternoons.

HOMESCHOOL
The Aquarium offers monthly homeschool science classes during the school year. Each class uses inquiry-based learning and hands-on experiments and activities to explore science. Classes are 60 minutes for 3-5 and 6-8 year olds and 90 minutes for ages 9-14. Ask about EcoField Trips!

SCOUTS
Gather your group to fulfill badge requirements at the Aquarium. We offer a variety of programs for Cub Scouts, Scouts BSA, and Girl Scouts.

SLEEPOVERS
Ever wonder what happens at the Aquarium at night? Do sharks snooze? Do turtles tire? Wonder no more! Grab a sleeping bag to enjoy an overnight adventure at The Florida Aquarium!

ADVENTURES AFTER DARK: EVENING PROGRAMS
Turn on your night vision and get ready to experience The Florida Aquarium after dark! Prepare to see our animals and their habitats in a whole new light... low light, that is! Reserve your program as soon as possible, as dates are limited and fill up quickly.

VIRTUAL PROGRAMS
We continue our mission to educate and inspire stewardship of the natural environment by diving into the world of virtual programs. If you are unable to visit the Aquarium, we offer a variety of education programs that engage students of all ages.

TRAVELING PROGRAMS
We offer various programs throughout the year both at the Aquarium and around Tampa Bay. From game shows to beach animals, we have programs for all ages that are perfect for schools, clubs, and other organizations.

IMMERSIVE AQUARIUM PROGRAMS
WILD DOLPHIN CRUISE
A 75-minute journey on the bay aboard the Bay Spirit II allows guests to encounter animals that live in Tampa’s local waters. The only requirement is a sense of adventure. A good pair of binoculars is optional!

PARTY WITH THE FISHES
The Party with the Fishes Program at The Florida Aquarium is a unique experience, guaranteed to make a splash with your birthday child! We offer indoor and outdoor parties. The Aquarium party includes a cake, decorations, paper goods, a designated space, and more!
